Sorry for two emails in one day, but you're all victims of me being stuck on the couch!

Just a quick reminder about mailing your Project Engineering Notebooks. The following is the schedule for when we need to receive your notebooks. For those teams that had their competition on Oct. 17, your notebooks are due tomorrow. ALL teams (BEST Award and robot-only teams) must submit a notebook to be eligible to compete at South's BEST.

Local competition weekend	Notebooks due to South's BEST
Weekend of October 10	5:00 p.m., Wednesday, November 4
Weekend of October 17	5:00 p.m., Wednesday, November 11
Weekend of October 24	5:00 p.m., Wednesday, November 18
Weekend of October 31	5:00 p.m., Wednesday, November 25

Note that you do NOT need to include the Team Demographics form in the notebook.

Have a great day.
