

Announcing – South’s BEST Team Video Competition!

Each year we receive videos from various teams coming to South’s that want us to see their team in action or show off their creativity. We enjoy getting these videos so much that we are adding a team video component to the competition.

The videos will be featured Friday night during Celebrate BEST Night (7:00 – 8:30 p.m.).

Each team will be given one (1) team ballot at the program. Ballots will be collected and scores tallied. The winning videos will be shown during the competition Saturday and the top video will be announced Saturday afternoon.
