

2011 South's BEST Teams

How do teams advance to the South's BEST Championship?

- The number of teams from each hub that advance to South's BEST is based on a percentage of the total number of teams at that hub. Larger hubs (e.g. 32 teams) are allowed to advance more teams than smaller hubs (e.g. 15 teams). A total of 50 teams from 13 hubs advanced to South's BEST this year. Each hub was allowed to send between 2 and 7 teams to the championship.
- Top finishers (both in Robotics and in the BEST Award) from the local hub competitions advance to the Championship. Teams advanced based on the following order of how they placed at their local competition:
 1. BEST Award-1st Place
 2. Robotics-1st Place
 3. BEST Award-2nd Place
 4. Robotics- 2nd Place
 5. BEST Award-3rd Place
 6. Robotics-3rd Place
 7. BEST Award-4th Place
 8. BEST Award-5th Place
 9. BEST Award-6th Place
 10. etc....
