

2011 Hotel Information

Making Reservations

Make your reservations directly with the hotel of your choice for the Championship. Room blocks have been reserved at the locations listed below for Thursday, Friday, and Saturday December 1, 2, & 3. Reservations should be made by the date listed under each hotel. **Please note that a swim meet is scheduled for the same weekend as South's BEST, so rooms are filling up quickly. Reserve your rooms as soon as possible.**

Contacting the Hotel

- **Ask for rooms reserved for "South's BEST Robotics Competition" to receive the group rate.**
- Provide the hotel with a credit card number. All hotels will require this to hold your reservation and as a guarantee against lost items or damages.
- Provide the hotel with a list of those staying in the rooms. Rooming lists are required by all hotels to hold reservations and must be submitted by the deadline dates. Hotels will provide copies of rooming lists to South's BEST. Failure to submit rooming lists by stated deadlines will likely result in cancellation of room reservations, with penalty fees applied.

Cancellation

Please be considerate of the needs of other teams and **book only the number of rooms your team is expected to use.** Drop any unneeded rooms before the deadline so that others have the availability they need at the event rate. Check with your chosen hotel on their cancellation policies.

Advance Check-In

Check with your hotel for advance check-in options that may be available if you arrive before the regular check-in time.

Curfew

All South's BEST students must be in their hotel rooms by midnight. This curfew and other policy items of the South's BEST Code of Student Conduct will be monitored at all hotels.

Conduct

Hotels reserve the right to refuse continued or future service to any South's BEST team because of inappropriate conduct of individuals representing the team/school.
